

POLIGRAT-PRODUCTINFORMATION

Cleaner Universal AB

Mild Alkaline Degreaser

Properties and effect

Cleaner Universal AB cleans metal-, plastic-, textile- and ceramic surfaces as well as painted and coated surfaces. The concentration used depends upon the application.

Cleaner Universal AB is a soft alkaline cleaner-concentrate. Due to its balanced mixture of different cleaning agents and surface-active substances, it has excellent dirt removal properties.

Cleaner Universal AB particularly removes oil and grease from a variety of different surfaces.

Application

Cleaner Universal AB is supplied as a concentrate. It is applied diluted with water with the degree of dilution according to the application as follows.

1 part Cleaner Universal AB to 1 part water

- Oily machines, machines for meat-, fish- and other food-processing, biro stains, blood stains, fruit stains, grass stains etc.

1 part Cleaner Universal AB to 3 parts water

- Hotel- and canteen kitchens, range hoods, grease rims on swimming pools, general cleaning.

1 part Cleaner Universal AB to 5 parts water

- Insects on glass, paint and plastic, PVC tarpaulins and car seat covers, inside and outside of caravans, painted machines and apparatus, textile machines, boats, office machines and awnings.

1 part Cleaner Universal AB to 50 parts water

- Floors, tiles, street tunnels, commercial vehicles, cars, etc.

During the application the working instructions have to be followed and protective clothing and safety goggles have to be worn. Any residues have to be disposed of according to the statutory laws and regulations.

Technical data

Specific weight/density:	1,07 kg/l
Flashpoint:	inflammable
State at room temperature:	liquid
Application:	diluted 1:1 to 1:50
Working temperature:	+ 10° to + 60°C
Time to act on surface:	5 to 30 minutes

Supply

Packaging units:

- Single-use canister 30 kg (27 l)
- Single-use canister 10 kg (8,5 l)
- Single-use canister 5 kg (4,4 l)
- Bottle 1,2 kg (1 l)

Your Advantage

- high concentrated professional cleaner
- universal application
- easy and reliable to use
